Island - Corfu

(December 30<sup>th</sup> 1855)

Sir

I am directed by the Lord High Commissioner to instruct you to acquaint Mr. Elias Leroi, now residing in Cerigo, that he is at liberty to leave that Island whenever he pleases. He may either remove to some Foreign State, or take up his residence in any of the Ionian Islands except Cephalonia. He cannot be permitted to return to that Island without giving a written promise to abstain from further agitation against the maintenance of the established Government.

In making the announcement of this relaxation, which is thus sanctioned by the Secretary of State in England, the Lord High Commissioner trusts that it will not be misunderstood. The Crown of England possesses rights in these Islands, which it has both the means, and the determination to maintain, and it will be His Excellency's duty to repress with
