5.—IN CASE of the Blockade or Interdict of the Port of Discharge, or of the entry of such Port or communication therewith, rendering or being liable to render the vessel liable to Quarantine at any subsequent Port, or in case of the Master considering the entry of any Port either from war, civil disturbances, epidemic, or otherwise, unsafe or injurious to the further prosecution of the voyage, or in case of Ice preventing the Steamer from reaching her Port of Discharge without delay, the Goods may be landed or put into Lazaretto, Hulk, or Lighter, at any other available Port the Master may consider safe, at Shipper's risk and expense; and thereupon the liability of the Company hereunder shall absolutely cease. In the event of Quarantine the Goods may be discharged, on arrival into Quarantine Depot, Hulk, Lighter, or other Vessels necessary for the Ship's despatch, at the Consignee's risk and expense, or the Master may carry on the Goods to the nearest safe Port to which he is bound, and there land them, and thereupon the Company's responsibility hereunder shall absolutely cease.
